

JOINING OUR PACK!

Thank you for joining us to help make a difference in the lives of our furry friends! Your assistance is invaluable in ensuring each dog finds their forever home. Here are some important tips to guide you through the day:

- **Ask questions:** If you're unsure about anything, don't hesitate to ask. Our team is here to support you.
- **Leash policy:** Every dog that leaves their pen must wear a slip-leash. This ensures safety and control during walks or even snuggles.
- **Containment matters:** Keep a keen eye out for escape artists and make sure gates are securely closed at all times.
- **Use cheat sheets:** Utilize the cheat sheets provided to quickly learn key details about each dog—age, sex, and breed.
- **Share observations:** As you spend time with the dogs, share your observations with potential adopters. Your insights can help them make informed decisions.
- **Tidy up:** Help maintain a clean environment by promptly cleaning up any messes that may occur.
- **Snap a pic:** Feel free to snap that pawfect shot and text it to Samantha at 262-374-7302 or share it on social media. Your post could make the difference.
- **Snuggle time:** One of the best parts—spend quality time snuggling with the dogs to provide comfort and affection.

Thank you for dedicating your time and care to our four-legged friends. Together, we can make this adoption event a success!
